

Liability Release

Date: _____

Begin Again Horse Rescue, Inc. is a 501c-3 charity dedicated to saving horses from abuse, neglect and the possibility of being sent to slaughter or euthanasia. As such, we are an organization relying on donations and volunteers to fill our needs. Our limited funds are used to take care of our residents and to promote public education on the needs of horses. Though horses are warm, friendly animals, they are not objects. They have feelings and moods and can on occasion be unpredictable. We make every attempt to keep you and the horses safe, but accidents happen.

This form is a release of liability between _____ and this organization. In no way will we hold you responsible for damage done by you to farm or property, Nor will you or your family or friends hold Begin Again Horse Rescue, Inc. liable for any damage done to you or your property while you are on the property, or engaged in promotional/educational events, and activities with the horses, now or any time in the future.

Thank you in advance for understanding our situation and championing our cause.
